Chief of Operations, [REDACTED]

24 AUG 1962

Acting Chief, Supply Division

25X1A

Inspection of [REDACTED]

1. Approximately 160 each of subject items are being shipped to your depot on Voucher 61-1324 with ETA 1 September 1962. Ten of these items have had subsequent modification and will be identified by the word "MOD" stenciled on tape which is attached to the metal containers.

2. It is requested that you perform an inspection on each individual device presently in stock plus the above items when received. Forward your findings to Headquarters as soon as possible.

3. The inspection will be conducted in accordance with paragraphs 5 and 6b of Standard Inspection Procedure #4.7 with the exception that each device will be subjected to two complete cycles as quoted in paragraph 6b (1).
